

American Red Cross

CPR

Join us for American Red Cross CPR and First Aid. You'll learn adult, infant, and child CPR, choking care, how to use an automated external defibrillator, and more. You'll also learn proper wound care, burn care, how to recognize and care for victims of stroke, diabetes, allergic reactions, and more. You will receive your certification for American Red Cross First Aid and CPR.

Time: 5:00 - 8:00 pm
