## WEEK ONE:

June 20th - June 24th

Kid's University started our first week on June 20th with a Disney Theme! On Monday we had a visit from Mad Science & Kona Ice. On Tuesday some kids spent the day at the pool while others stayed at camp & did Disney Crafts. On Wednesday we held our first theme day & spent the day competing in various activities such as tug-of-war, races, Disney Trivia, Guess the Disney song & more. Thursday we stayed inside and had a dance-off & played various gym games.
